Lav en fantasifuld tegning ud fra stregerne, der allerede er på papiret. Skriv en tekst til din tegning.

A diagram illustrating a particle interaction process. At the top, a horizontal wavy line represents an incoming particle. Below it, three ellipses are arranged: one on the left, one in the center, and one on the right. The central ellipse is larger than the other two. The left and right ellipses are smaller and appear to be connected to the central one, suggesting a vertex or interaction point. The entire diagram is enclosed in a rectangular frame.
